## CABERNET SAUVIGNON

NAPA VALLEY

This vintage, called “the tale of two harvests”, is considered to be one of the more unique vintages in recent history due to the unusual weather events. These events are expected to showcase a full range of flavors, from crisp and vibrant to dense and powerful. The harvest date for Cabernet Sauvignon was October 18, 2022.

The Cabernet Sauvignon contributes an herbal character and robust mid-palate tannins, finishing with an elegant oak influence after 20 months of aging in 80% French oak and 20% American oak barrels, with a mix of medium and medium-plus toast levels, excluding toasted heads.
