MERLOT

NAPA VALLEY

2022 was one of the more unique vintages in recent history, one that winemakers have dubbed "a tale of two harvests". Bud break timing was in March and spring weather conditions were typical. Summer months offered warm days and cool nights ideal for grape ripening. Then in September, we experienced a 5-day heat wave with triple digit temperatures, resulting in an earlier harvest than anticipated. Rains followed the heat wave, putting a temporary halt to picking, so harvest was completed in two stages. Overall yields were lower but quality was excellent and we saw greater concentration and flavor intensity. Our Carneros Merlot was harvested on October 21st.

Our Napa Valley Merlot entices with aromas of ripe blueberry, luscious blackberry, and a touch of cocoa. On the palate, flavors of blackberry and plum intertwine with hints of brown sugar and a hint of vanilla. This wine has a weighty mid-palate, medium tannins and a long finish.
